

## 2022-2023 Book Process

Here you will find step by step instructions for purchasing books and other materials for the 2022-2023 school year.

### Overview

#### 1. Course List

The first thing you will want to do is consult your **Course List**. This list tells you what courses you will be taking during the 2022-2023 school year. Your **Course List** will be mailed to you by July 11, 2022.

#### 2. Book List

Once you know what courses you are taking, you will want to consult the **Book List**. The **Book List** is organized by subject area and by course. It will tell you exactly what books and materials you need and where to find them. This year's **Book List** will be finalized and published on the **New Student Information webpage**<sup>1</sup> on our website and **PlusPortals** by July 13, 2022.

#### 3. Purchase Materials

Now that you know what books and materials you need, you can begin purchasing. For some materials, a direct link to purchase can be found on the Book List. Unless otherwise noted, families are encouraged to purchase required books and materials through Amazon or Barnes and Nobles. Families can purchase through other vendors as well. When purchasing, please make sure to select the correct edition that matches the ISBN code.

#### NHS Used Book Sale

The National Honor Society will run an online book sale for used hardcover books. Students or their parents will reserve available books through a Google Form which will be available beginning **July 13** on the **New Student Information webpage** and **PlusPortals**. These books will be paid for and picked up on August 29 (in foyer from 8:30-9:30 and 1:30-2:30) and as school begins in September (in 211). Please feel free to email Mrs. Herbert at [aherbert@fontbonneboston.org](mailto:aherbert@fontbonneboston.org) with any questions.

**Purchase Your Fontbonne Planner** - All students are required to purchase a Fontbonne Academic Planner. This item can be purchased using a link on the **New Student Information** page and **PlusPortals**. The link will be active on **July 13, 2022**.

**Chromebook Insurance** - Any student that is using a school-issued Chromebook is required to purchase Chromebook Insurance. This is required for all students in grades 9 - 11. Grade 12 students continuing the Chromebook program must also purchase Chromebook Insurance. Students can purchase this using a link on the **New Student Information** page and **PlusPortals**. The link will be active on **July 13, 2022**.

**Additional Supplies** - We do not offer a full list of supplies for students as each course requires different materials. Students will receive a list of required supplies for each of their classes on the first day of school. We recommend students bring a notebook and writing materials to the first day of classes.
